Studebaker Electrics

No man knows the real satisfaction of making business calls or pleasure runs until he has his own **Studebaker Electric.**

It gives time to think with freedom from street-car crowds and street annoyances—goes anywhere, any time—swiftly and silently—to the theatre, about town or into the country.

The simple system of control enables an amateur to drive himself with perfect safety. It is obedient to the slightest pressure of the hand. Scarcely an effort is needed to start the car or to vary the speed at will.

The maintenance cost is about ten dollars a month for hard daily service. The car is always ready. The batteries are charged at home. Ask to see the car. Send for the catalog.

Gas Ranges and Household Ware 120-124 EAST WASHINGTON STREET

To the average business man the right words come hard when he is struggling to express some idea to advertise his business.

It may be a booklet, a pamphlet, a folder or a business-seeking form-letter. Whatever it is, the problems of what to say and how to say it are difficult for the man whose training and experience have been in another field.

We are applying our years of experience as newspaper writers and editors to the business man's problems of what to say and how to say it. The editorial "end" of advertising is our specialty.

Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:

First. The advancement of the Directory business and the improvement of Directories by the interchange of ideas and the exchange of experienced employes.

Second. To provide protection to the public against fraudulent advertising schemes which operate under the name of Directories, and to drive unprincipled promoters of the same out of the business.

Third. To provide permanent and profitable employment to competent, industrious and honest Directory canvassers and compilers.

Fourth. For the mutual protection and advancement of the established and prospective interests of all who may become members, by personal advice and assistance of members as may be mutually satisfactory, desirable or advisable, and by such other means as may, from time to time, be shown to be wise, proper and lawful.

\$100.00 Reward Will be paid by the Association for the arrest and conviction of any person or persons engaged in publishing, collecting or canvassing for any fraudulent or fake directory.
